

Evening Classes For Adults

Thursdays 6:30-8pm

October Schedule

October 1st Qtips

You'll be amazed at what an ordinary Qtip can do! Let us show you how to create unique texture with layers of colors.

October 8th Splatter Painting

Jackson Pollock anyone? Splatter painting and contact paper combine for an edgy contemporary design. This technique works best on flat items.

October 15th Fingerpainting

Who said fingerpainting is just for kids? Unique designs abound when you abandon brushes and let your fingers do the talking. We will throw some color theory into the mix.

October 22nd Bubbles

Air and soap is a match made in a ceramic painting heaven. We'll reveal the secrets of this happy marriage to help you achieve beautiful results.
